SUPPORT US AND
BECOME A BOOKS
AND
IDEAS
CHAMPION

The Auckland Writers Festival | Waituhi o Tāmaki

is a charitable trust, which presents
Aotearoa New Zealand's largest international
festival of literature and ideas.

We are a small team
with great ambitions.

The support of our Patrons is
vital so we can continue to
showcase world-leading writers
and thinkers from home and afar,
and celebrate books and ideas in
both our public events and
Schools Programme.
